You Know What You Don't See? - Girlfriend

20-something Guy:

Look out in the street there.

You know what you don't see?

My car. Cuz I had to sell it to pay the lawyer I hired when I got busted for drunk driving.

Know what else you don't see? My girlfriend. Who decided that a guy with no car and no license and no money was no fun.

SFX: single music chord

ANNCR:

Cops .. are out there.
Cracking down on drunk driving, all across the country.
And they'll see you before you see them.
