"Future Self"

Voice of 9-year-old boy.

BOY: Dear 16-year-old me.

It will be really cool when you get your driver's license. So Don't ruin everything by drinking and driving. Drinking is against the law for you anyway. Don't be a total moron because police hate it and you'll get a big fat ticket, and maybe jail. And Dad will get really mad.

So please don't every drive drunk, Jason. Our future depends on it.

Sincerely,
Me…Jason
